We would like to draw your attention to the fact that all sections must be completed in order for your application to be processed

Project Title :

Applicant Organisation :

Date of submitting request :

1. ORGANISATION SUBMITTING THE REQUEST

1.1. Identification of applicant organisation

Type of organisation

Association

Society

Public

Other :

Name :

Acronym :

Date of creation :

Address :

Phone :

Postcode :

Fax :

City :

E-mail :

Country :

Website :

President :

Number of employees :

Director :

Number of volunteers :

Federation, institution or group :

1.2. Legal representative of the organisation

Name :

First name :

Position :

Authority :

Business address :

Phone :

Postcode :

Mobile :

City :

Fax:

Country :

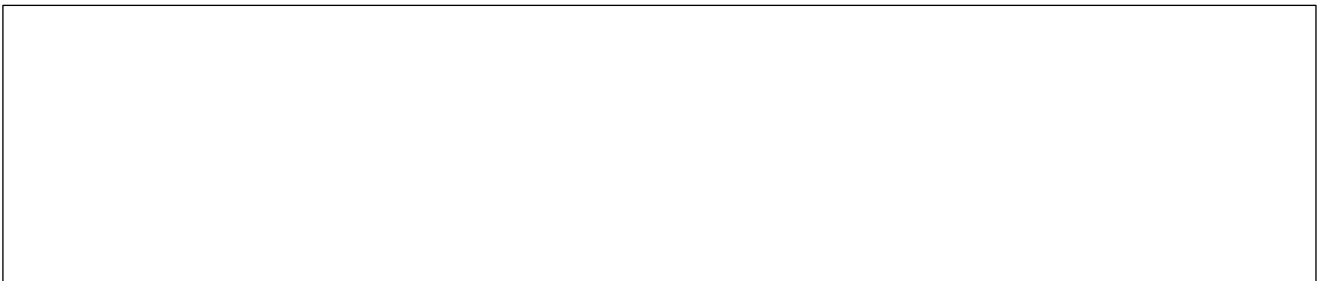

Email :

1.3. Organisation's governing bodies :

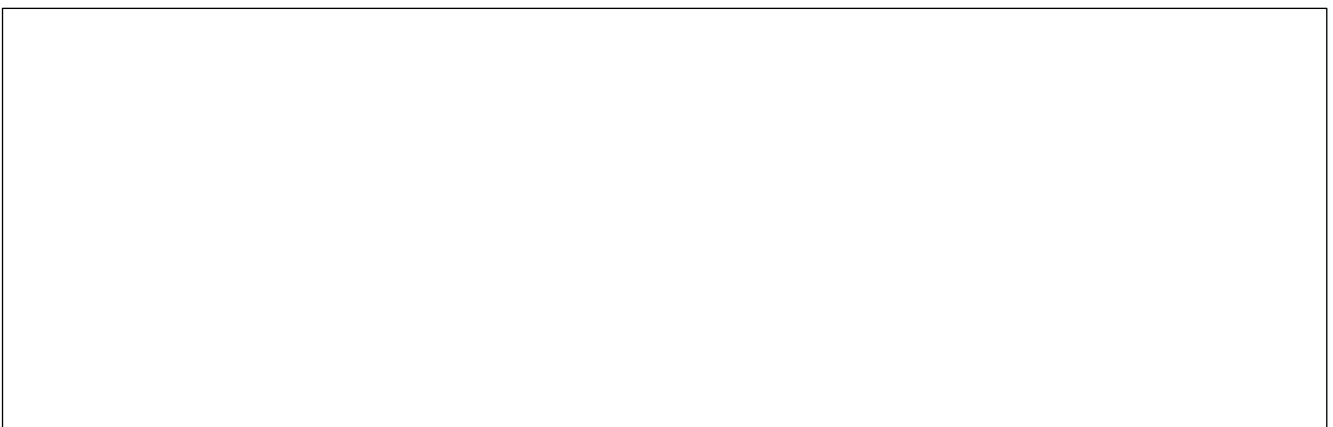

(cliquer pour insérer une image)

1.4. Main activity of the applicant organisation (10 lines maximum)

1.5. Main partners and sponsors of the applicant organisation
Specify the amounts and the main projects concerned

1.6. Has the applicant organisation implemented an environmental approach for its operation and activities? *If yes, give details in a few lines.*

Yes

No

1.7. Financial statement of applicant organisation

1.7.1. Profit & Loss (*specify the year*)::

Expenses	Amount	Income/Revenue	Amount
Purchases, external services		Sales products and services	
Staff costs		Grants/Subsidies (to be detailed) :	
		Contributions, donations	
Other operating expenses, taxes and duties		Miscellaneous	
Financial expenses		Financial income

Tangible assets before amortisation		Results (+ ou -)	
Financial assets		Investment grants/subsidies	
		Medium and long-term debts	
Total Fixed Assets		Total permanent resources	
Stocks en cours			
Trade receivables		Trade and non-operating liabilities	
Preliminary Charges		Deferred income	
Disponibilités		Short-term financial liabilities	
Total assets		Total liabilities	

2. DETAILED PRESENTATION OF THE PROJECT

2.1 Project organisation

Is the project being implemented directly by the applicant organisation:

Yes

No

If not, which third party(ies) is/are ensuring the implementation of the project?

Give the name and address of this organisation and its president:

What are the institutional, technical, financial and contractual ties with the applicant organisation? *(If available, please provide us with a copy of the contracts)*

Other than the above mentioned organisation, are there any other sub-contractors?

(If so, which ones? Please give their name and address.)

2.2. Project managers

1. For the applicant organisation

Name :	<input type="text"/>	First name :	<input type="text"/>
Position :	<input type="text"/>	Phone :	<input type="text"/>
Business address :	<input type="text"/>	Mobile :	<input type="text"/>
Postcode :	<input type="text"/>	Fax :	<input type="text"/>
City :	<input type="text"/>	Email :	<input type="text"/>
Country :	<input type="text"/>		

Previous skills and experiences directly relating to the project *(5 lines maximum)*

Enclose a copy of the project manager's CV in the appendix.

2. For the third party organisation ensuring the implementation of the project *(for cases where the project is not being implemented directly by the applicant organisation)*

Name :	<input type="text"/>	First name :	<input type="text"/>
Position :	<input type="text"/>	Phone :	<input type="text"/>
Business address :	<input type="text"/>	Mobile :	<input type="text"/>
Postcode :	<input type="text"/>	Fax :	<input type="text"/>
City :	<input type="text"/>	Email :	<input type="text"/>
Country :	<input type="text"/>		

Previous skills and experiences directly relating to the project *(5 lines maximum)*

Enclose a copy of the project manager's CV in the appendix.

2.3. Project description

1. Please give details of any website(s) presenting the Project and its background

2. Summary of project (*1500 characters maximum*)

2.1 Brief summary of project (*250 characters maximum*)

Predominant theme treated in the project:

Scheduled kick-off date of project:

Scheduled completion date of project:

Period (kick-off date & completion date) for which funding is requested

Only if this period differs from the one indicated previously

Kick-off date

Completion date:

7. Geographical location of project :

Country :

Secondary countries :

7.1 Detailed location (city, region...) :

Enclose a regional and local geographical map in the appendix

8. Project background (5000 characters maximum) :

9. Is the project presented the whole project or a component of a broader project?
(5000 characters maximum)

If so, provide a brief summary 1/ of what the other components consist of and, 2/ the overall budget for the project.

10. The issues and challenges addressed by the Project (5000 characters maximum) :

11. State of knowledge on the issue addressed by the Project (state of the art):
(5000 characters maximum)

12. Added value of the project with respect to the previous point:

13. Bibliography of the Project:

[Empty box for Bibliography of the Project]

14. The main beneficiaries of the Project:

Who will be impacted, either directly or indirectly, by the project and its results?

[Empty box for The main beneficiaries of the Project]

16. Description of project activities

Indicate, for each logical framework activity, how they will be conducted, including, if appropriate, the tools and methodologies used, as well as the different actors involved and / or beneficiaries. It is not only about listing results and activities. Unlike the Logical Framework, the paragraph must tell the project's intervention logic in a dynamic way, presenting the activities the will be implemented and possibly giving examples and illustrations.

17. The activities and phases of the project for which funding is being requested from the Pelagos Initiative

Among the project goals and activities set out in paragraph 15 above, indicate those concerned by the request for funding from the Pelagos Initiative

18. General schedule of the project
(Referring to the activities set out in §15)

Goals & Activities	Period of time <i>(for each activity, please indicate its starting and ending date)</i>
OS1	
OS2	
OS3	
OS4	
OS5	

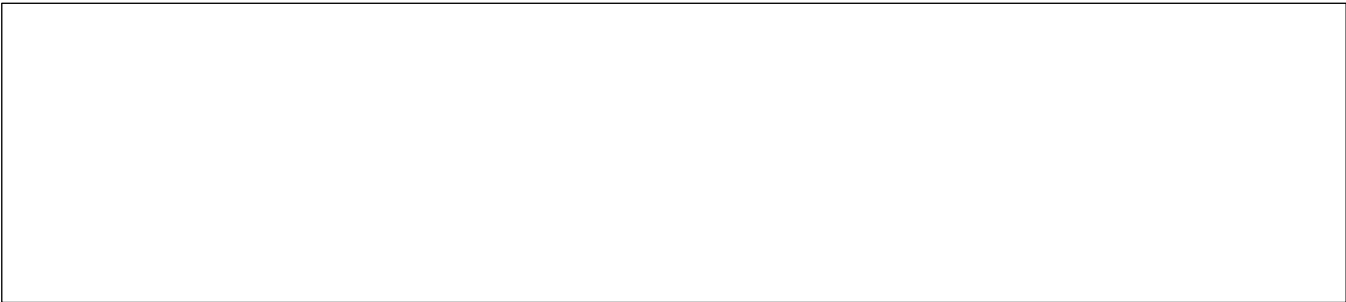

19.2 - Enclose a general diagram of the players involved showing the type of relationship that exists between these various players

20. Material resources (equipment, technology...) mobilised for the implementation of the project

21. Human resources mobilised by the applicant organisation for the Project
Specify the number of people, the role, their status and their skills.

22. Communication Strategy for the project

Indicate the strategy components and give details on how the visibility of the Pelagos Initiative's support will be ensured .

--

23. What are the main risks – including environmental risks – of the project?

Specific goals	Risks	Risk – reduction strategy
OS1		
OS2		
OS3		
OS4		
OS5		
OS6		

23.1 What are the negative environmental impacts of the project? What actions are being taken to reduce these impacts?

24. Project evaluation mechanism

Please give details (who? when? how?)

25. What measures have been taken to ensure the viability and durability of the results obtained by the Project?

26. Are any project extensions foreseen?

2.4. Project partnerships

Provide any information which will allow for an assessment of the status of the financing plan and supports.

Acquired*	Pending	Organisation	Type of support (financial**, material, consultancy, compence, other)

* Provide us with proof of any commitments made by partners (certificates, signed contracts...)

** Specify the nature and the amount

2.5. Global budget of the project and support expected from the Foundation

Funding from the Pelagos Initiative must not exceed 75% of the ressources of the project budget. It shall remain at the Pelagos Initiative's discretion.

1. Global budget (in Euros) :

2. Total amount required (in Euros) :

3. Total duration (in number of project years) :

3. BUDGET AND REQUESTED FOR AID

Information concerning the payment schedule of the financial support provided by the Pelagos Initiative

Exact details concerning payment will be provided in the agreement which will be signed with the applicant should your project be approved.

In the meantime, please take note of the following provisions:

1. The first instalment is paid upon the signing of the agreement
2. Interim instalments are paid at the end of each project year, after approval of the interim report
3. The last instalment is paid once the project has been completed, after approval of the final report

3.1 Project budget (in Euros)

Fill in the « DC-budget projet.xls » file and attach it as an annex in .xls format. Please note that:

- You must provide us with the necessary details that will enable us to assess the budget of the entire project concerned by the application (in Euros). Feel free to provide any information which you consider relevant in the section “Nature of expenses”
- « Equity capital » should not include valorisation of in-kind contribution.

3.2 Financial identification of the Beneficiary
